Task Description	Assigned to
------------------	-------------

Post to social media fully integrated in web application	Benson/Spencer
Login credentials fully integrated in web application	Luke/Asim
SCRUM Meeting/Documentation	Zachary
Expert Panel Report	Everyone

Minutes from Previous Meeting

Last meeting our focus was on getting the multiple social media APIs working on our web application before the Thanksgiving break. Asim and Spencer would focus on getting the Facebook API running. Benson and Luke said they would focus on getting the Twitter API working properly on the app. Spencer and Benson would finish up the Instagram API that they previously dabbled with. Zach would continue to hold the SCRUM meetings/documentations and help wherever needed.
